WOW AD POLICIES

Reservation of advertising space constitutes a contract between ADVERTISER and World of Westchase, Inc.

ADVERTISER agrees to provide material suitable for publication to WOW on or before the 5th day of each month for the following month's publication. A 1% late fee will be assessed on your account for any balance over 30 days old. WOW's Advertising Director reserves the right to approve or reject all advertising. Such rejection shall not be construed as a breach of contract. Advertising may not be BROKERED, i.e. one advertiser selling or providing a portion of its space in the magazine to another person or entity. If the WOW Advertising Director agrees to accept material after this advertising deadline, a 10% late fee may be applied to the monthly rate listed herein, at the WOW's discretion. ADVERTISER further agrees to provide payment in the form of a credit card or check (with credit card backup) at time of submission of materials unless otherwise arranged at the discretion of the WOW Advertising Director. Lack of timely payment for reserved advertising space will result in the ad NOT running in the WOW. Prepayment is required on a per-issue, ongoing basis; 6- and 12-month frequency advertisers do not need to pay upfront for all issues reserved.

Additional charges may be incurred for creative services, i.e. reconstruction/setup/typesetting/scanning/photo retouching/etc. that may be necessary to ensure quality reproduction in WOW. WOW is authorized to repeat publication of previous advertising materials in the absence of changes received by WOW by the 5th day of each month for the following month's publication.

Failure to complete the ad reservation requirements of this agreement by ADVERTISER shall result in the imposition of a short rate penalty equal to 10% of the remaining contract total. ADVERTISER is responsible for any fees and costs necessary for collection on a delinquent balance, including court costs and attorney fees. WOW is not responsible for any costs incurred by ADVERTISER as a result of, by way of example and not limitation, acts of God, natural disasters, war or any other events or occurrences beyond WOW's control. ADVERTISER agrees to hold harmless World of Westchase, Inc., its Board and its independent contractors from any costs or expenses incurred by ADVERTISER, and agrees that any request for compensation shall be limited solely to costs incurred in the preparation of advertising material, based solely upon WOW's mistake or error.

AD DESIGN SERVICES NOTICE: Due to possible licensing restrictions, advertisements designed by the World of Westchase are not authorized for use in printed or electronic media outside of the World of Westchase magazine or its associated publications without prior written permission. Please contact the advertising director for additional contract, pricing and licensing information.
